To whom it may concern

Please accept this letter as an expression of gratitude and recommendation for Chiswick House School, Malta, making particular reference to its Principal, Ms Bernie Mizzi

Our three sons, Leonardo, Alessandro and Andrea have attended school here from Kinder One, up until Junior Three, for our eldest Leonardo, since 2009

We have found the interaction between the school and parents to be a very positive experience with Ms Mizzi in particular, frequently going that extra mile to ensure the best care for our boys. We are completely satisfied with not only the educational system in place but also the holistic approach maintained by the school that we have come to recognize and appreciate

Our reason for having to change schools is simply that we are moving country due to work commitments, as otherwise, we both would have been more than happy to allow our sons to continue their education at Chiswick House School

Yours sincerely

Giuseppe & Lorena Vincelli
