

CHSMC VIRTUAL ACADEMY

SUMMER 2020

6th July to 4th September - Morning sessions
(8 weeks - recess between 10th and 14th August)

Chiswick House School and St Martin's College are proud to launch a Virtual Academy. CHSMC is the largest independent school in Malta and has been providing an outstanding education to many students in its brick and mortar schools. We have now decided to take this to another level - a virtual one! Our NEW Virtual Academy is set out to start this summer. Led by Dr Esmeralda Zerafa, Senior Leader at CHSMC, this academy will offer various educational virtual programmes that students around the globe will be able to follow. This academy will provide excellent virtual learning opportunities that are run by trained and experienced educators who will mentor critical thinkers and creative life-long learners. Enrol for one of our summer programmes today!

**CHISWICK HOUSE SCHOOL
ST MARTIN'S COLLEGE**

REGISTER ONLINE [HERE](#). Application forms together with payment will be accepted until Wednesday 17th June 2020. For more information kindly email virtualacademy@smc.edu.mt
